Our mission is to collect gently used or new luggage/duffle bags/overnight bags for children in the Foster Care System in our region. You may not know that when a child is removed from a home, that child is provided with 2 black trash bags in order to transport their belongings. This is disheartening. It possibly signifies to the child that their belongings or even themselves are worthless. 400,000 kids enter the Foster Care System each year. We're trying to make sure these children are not forced to carry their most prized possessions in a trash bag. We do not want worn or torn luggage, if you wouldn't use it, then don't bring it. We also want to put a care package in each bag, toiletries, teddy bear & small blanket, (cost approx.\$20) any donations would be greatly appreciated, mark them "Cases for Love" Donations can be dropped off at the church.
